## HOMES FOR GOOD OVERVIEW

### WHO WE ARE...

Homes for Good is Lane County's housing agency and our primary work is to help low-income residents with the logistics of affordable housing. At a higher level, we are neighbors united to get every Lane County resident who needs help into a home.

### WHAT WE DO...

- ❖ Rental Assistance Vouchers
- ❖ Help veterans, seniors and people with disabilities find and secure affordable housing
- ❖ Match low-income residents with public and assisted housing units
- ❖ Partner with other community organizations and non-profits to build, finance and develop affordable housing
- ❖ Connect residents with self-sufficiency programs and wellness support
- ❖ Work with the low-income community to provide help with weatherization improvements that lower utility bills and keep homes more comfortable
- ❖ Raise awareness about the need for low-income and affordable housing in Lane County
- ❖ Own and operate housing for low-income individuals and families

### AFFORDABLE HOUSING ADVOCATES...

We work to raise awareness about the need for – and lack of – affordable housing here in Lane County and more broadly. There is no question that the need for affordable housing will only grow as our population increases and high demand for housing pushes rents and prices up. We believe every person should have a home and that we must proactively and aggressively work toward that goal for the good of our community, state and nation.

### DIVERSITY EQUITY AND INCLUSION

Our goal is to address racial disparities within our organization in our hiring and promotion practices, greater opportunities for contracting and equitable services available to the people we serve. We want to establish Equity as part of our DNA as an organization.
