

Homes for Good Janitorial Walk-Through

General Q&A

1. What is the surface of the basement areas labeled: Hall, Locker & Wet Gear
 - ❖ It is cement
2. If we submit a quote that is above the budgeted amount will my bid be rejected?
 - ❖ No, your bid will not be rejected. Our suggested budget amount is based off of a contract initiated 3 years ago – times have changed, and costs have increased. Your quotes will still be reviewed
3. Is the \$65,000 per year your estimated cost or is this the not-to-exceed budget cap?
 - ❖ It is our estimated cost while keeping in mind it's based on a contract that originated 3 years ago. So, we're flexible and understand that costs have gone up for labor and supplies
