We are looking for a Program Participant Representative member of the Homes for Good Board of Commissioners. The position would involve engaging with the local community, advocating for affordable housing, mentoring others, as well as playing an active role in the Homes for Good's board deliberations. The position requires a lot of involvement and working with Homes for Good administrative staff.

This would be an appointed, non-elected, non-paid, volunteer position. The term of office for this appointed non-elected Homes for Good Commissioner position is four years, starting January 2020 and running through to the first regularly scheduled Board of Commissioners meeting in January 2024. Appointed Commissioners are expected to read pre-board meeting materials, and attend monthly Board of Commissioners meetings, which typically last an hour and a half on the fourth Wednesday of the month. Commissioners may also attend conferences periodically on behalf of the organization. Meetings are held in Eugene, and travel assistance through mileage reimbursement or bus fare is available. To find out more information about our Board of Commissioners read our meeting materials online at: [www.homesforgood.org/about/about-us/board-materials](http://www.homesforgood.org/about/about-us/board-materials) or attend one of our Board of Commissioners meetings.
