

JUNE RESIDENT UPDATES

Summer is back and with it the sunshine and the heat. We hope that you all are taking advantage of the sunshine and vaccine availability to get back out into the community and find ways to enjoy yourselves! Don't forget to stay cool and hydrate.

Updates for you:

- **Lane County has officially reached the 65% threshold for vaccination and we have been moved to lower risk permanently!** The Governor has indicated that once the state hits the 70% threshold, all mask mandates will be removed. This lower risk category means that staff will be working to reopen site offices for appointments and activities.
- 
- A celebratory graphic with a green and blue background. It says "THANK YOU LANE COUNTY!" in white text on a green background. To the right, it says "65%" in large yellow numbers, followed by "LOW RISK LEVEL" in green text on a white background. Below that, it says "PERMANENT STARTING JUNE 9, 2021" in black text. There is a small map of Oregon in the background.
- **Masks are still required** for staff, residents and visitors in any Homes for Good Agency owned buildings.
 - **The Eviction Moratorium for the State of Oregon ends on June 30, 2021.** Tenants **must** begin paying rent on the regular schedule **starting July 1, 2021** to avoid late fees and potential eviction.
 - Hardship Declaration forms expire at the end of this month. Residents **must** pay July rent.
 - **All residents**, whether you ever signed a declaration or not:
 - Will have until February 28, 2022 to pay back rent **OR** June 30, 2022 if you sign a voluntary repayment plan with Homes for Good.
 - **Oregon Emergency Rental Assistance Program remains open** for applications. Learn more and apply online at www.oregonrentalassistance.org. We encourage residents who are experiencing hardships in paying outstanding rent or utility balances to apply!
