1. **Terms**: The terms “Homes for Good” and “management” are used interchangeably.

2. **Effect of Community Rules**: Community Rules are considered an addendum (addition) to your lease - a violation of the Community Rules is considered a violation of your lease and it is your obligation to cooperate in remediying problems.

3. **Community Rules (by subject, in alphabetical order)**:

   a. **Absences**: Notify your Property Manager by the first day of any absence where you expect to be gone from your unit for more than seven (7) days. If you don’t expect to be gone more than seven (7) days, notify your Property Manager as soon as you know it will be for longer than seven (7) days.

   You may not be absent from your unit for more than 30 days without prior Homes for Good approval. If you are absent from your unit for more than 30 days without an agreement, your unit will be considered abandoned and your tenancy will be terminated. Homes for Good will not agree to absences from your unit for more than 60 days, except in extreme or unusual circumstances. Absences for more than 30 days will require approval from the Property Management Division Director with verification of circumstances.

   The maximum time you will be allowed to be absent from your unit is 180 days under extreme or unusual circumstances such as an extended stay in a hospital or rehabilitation center. Any absence from your unit from 61 – 180 days must be documented, verified and approved by the Property Management Division Director.

   b. **Businesses (home businesses)**: Written approval from Homes for Good is required before starting a child care or other home business. Home businesses must follow the monthly income reporting requirement.

   c. **Conduct**: You are responsible for your own conduct and the conduct of your household members, guests, and anyone else “under your control” (someone in your unit, or someone who comes onto the property with your consent). You must conduct yourself and require your guests and other persons under your control to conduct themselves in a manner that will not disturb the peaceful enjoyment of the premises by others. Please be especially careful about excessive noise between 10:00 p.m. and 7:00 a.m. Consuming alcoholic beverages in recreation rooms, laundry areas, parking lots or other common areas is not permitted. Drunken or disorderly conduct and verbal or physical abuse of residents, Homes for Good staff, and other persons on the property will not be tolerated.

   d. **Cooperation**: You must cooperate in the administration of your housing program and complete, sign, and return all documents by the date indicated—response times are very important. Contact your Assistant Property Manager or Property Manager if you have any questions or concerns. If you do not return completed documents in a timely manner, your rent may be increased to the Flat Rent, Market Rent, or your tenancy may be terminated.

For subsidized at Abbie Lane, Fourteen Pines and Village Oaks Apartments, your subsidy will be terminated and you will be required to pay Contract Rent until your paperwork has been received.
e. **Damages:** Please take care of the property. You are responsible for any damages to your unit (other than “normal wear and tear”). You are responsible for any damages caused by you, your household members, guests or persons “under your control” to any building, facility, grounds, equipment or common area owned by Homes for Good, whether or not the damage was intentional, accidental, or due to negligence. You are also responsible for damages caused by your animals. Take care not to destroy, deface, damage or remove any part of the premises and do not permit household members, guests or anyone else “under your control” to do so. You are responsible for damages during your tenancy even when repairs are performed at a later date. In circumstances of damage caused by an unknown person you are encouraged to file a police report, but may still be considered responsible for paying for repairs.

f. **Guests:** You are allowed a total of 14 overnight guest visits in a 12-month period (a total of 14 nights in a twelve-month period, by one or different guests).

Anyone who stays in your unit overnight who is not listed on your lease is considered a “guest,” regardless of your relationship with that person. You may request additional guest visits, and Homes for Good will not unreasonably withhold consent for guest visits in excess of 14 nights or for extended guest stays in special circumstances, but you must first request and receive prior, written permission from your Property Manager. Guests are **not** allowed to receive mail at your Homes for Good-owned unit. Homes for Good will require guests for extended stays provide verification of their own permanent address and reserve the right to run a criminal history check.

g. **Household Members:** Household members are only those persons listed on your lease. You may not allow “guests” to reside in your unit. If you want to add a person to your household, you and that person must complete Homes for Good’s “Add-An-Adult” application and complete the process. You may not move someone into your unit without Homes for Good’s prior written approval. An adult may not be added to your household without first signing an addendum to the lease.

You must also immediately report any member who leaves your household.
