**SECTION 2: HUD DEFINITION OF DISABILITY**

Section 504 of the Rehabilitation Act of 1973 & Fair Housing Amendments define a "disability" as:

- A physical or mental impairment that substantially limits one or more of the person's major life activities\*
- A record of having such an impairment, or
- Being regarded as having such impairment

\*Physical & mental impairments including physiological disorders or conditions, and mental or psychological disorders.

**SECTION 3: HEALTHCARE/QUALIFIED PROFESSIONAL'S CERTIFICATION OF NEED FOR ACCOMMODATION**

Dear Healthcare or qualified professional,

We ask that you carefully review this patient's/client's request and verify, using your professional opinion, the existence of an impairment that substantiates the reasonable accommodation request. Requests will be considered on a case-by-case basis, as people with the same disability may not need or desire the same type of accommodation. To help us make an informed decision, please write legibly.

Please note that such accommodations must be necessary as a result of the person's disability as opposed to a change that merely benefits the individual. We ask that you give careful, thought to this matter as this affects the total number of families we can assist.

**FOR HEALTHCARE/QUALIFIED PROFESSIONAL TO COMPLETE:** *This is not a request for medical records or detailed information about the disability.* Please limit your remarks to describing the functional limitation(s) and to confirming that the accommodation that is requested above is relevant to the client's need. Thank you.
